

REMARKS

The Office Action of April 8, 2004 has been reviewed and this response addresses the Examiner's concerns. Claims 1-113 were pending in the application.

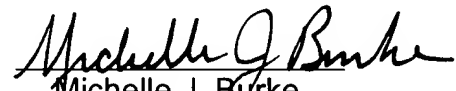

Firstly, Applicant thankfully acknowledges the allowance of claims 1-7 and 101-113. The Office Action notes that claims 8-100 were previously withdrawn from consideration and requests cancellation of claims 8-100 in order to pass the case to issue. Claims 8-100 are herein cancelled. Claims 8-100 will be prosecuted in a separate divisional application.

For the reasons set forth above, the Applicant respectfully requests that the Examiner find the present application in condition for immediate allowance.

In accordance with Section 714.01 of the M.P.E.P., the following information is presented in the event that the Examiner deems a call desirable:

Michelle J. Burke (914) 674-5459

Respectfully submitted,
